Cesce's Póliza Fácil

INFORMA as Cesce's Exclusive Insurance Agents ⁽¹⁾ provides you the following:

Póliza Fácil technical details

The turnover value constitutes the base to establish a Póliza Fácil policy

Target clients	✓ SMES with a sales volume of up to 5MM€ in insurable credit sales (not included those to the Administration, subsidiaries, private individuals and cash payments)
Contracting	✓ By electronic signature
Insurable sales	✓ Minimum 80% of the annual turnover
Sectors	✓ Not limited (except rentals and, where appropriate those items indicated in the contracting process)
Country of the debtor	✓ 32 countries (*)
Non-payments communication delays	✓ 60 days from the expiry of the unpaid invoice
Risk aggravation	✓ 60 days. Delay from the expiry date of an unpaid invoice to manage its collection and during which it is possible to continue selling to the debtor.
Delay Delivery - invoice date	✓ 30 days. Maximum delay up to the emission of the invoice
Maximum payment condition	✓ 120 days. The sale expiry date should be equal to or less than 120 days
Losses liquidations delay	✓ 90 days from the default of payment declaration
Type of covered risks	✓ Business. Political and extraordinary risks are excluded: i.e. defaults of payments caused by wars, social upheavals, earthquakes....
Coverage %	✓ 60% anonymous debtors / 85% classified debtors
Risk limit by Anonymous / Classified debtor	✓ Determined by insurable sales See <i>Póliza Fácil Parameters and Rates</i>
Annual IMA (annual maximum indemnity)	✓ Anonymous debtors: the annual maximum compensation for anonymous debtors' non-payments is 3 times the premium paid. ✓ Classified debtors: there is no maximum annual compensation
Premium	✓ Calculated according to the volume of insurable Sales
